

\$2 Million Marked For Work On Local Washoe Program

Resolution Asks Fund For Survey, Preliminary Project Work

RENO—Members of the interior and insular affairs committee of the U. S. Senate Tuesday passed a resolution endorsing a \$2,000,000 appropriation for work on the Washoe Project in the 1959 fiscal year, Senator Alan Bible announced yesterday.

The Nevada senator, a member of the committee, said he was confident that this development would mean more funds for the Washoe Project next year than was proposed by the Eisenhower administration's budget. The Eisenhower budget called for an allocation of only \$189,000 for the project, which is vitally important to western Nevada.

The Washoe Project, which proposes a series of developments for power generation and irrigation along the Carson and Truckee Rivers, is expected to cost about \$44,000,000. Congress has approved the project but has not appropriated any money for it. If the recommendation of the Senate Committee is approved, \$2,000,000 will be available for preliminary planning and some construction.

The resolution passed yesterday by the committee said, "It was the sense of the Senate that construction of civilian public works should be accelerated and expeditious progress should be made in conservation and development of the national resources."

The Reno Democrat said he was pleased by the development. The committee's action reflected the feeling of part of the senators that the Eisenhower spending proposals, submitted last month to Congress, did not go far enough in proposing internal improvements and fighting the recession.

Baseball Practice At Verdi On Friday

Al Wakefield, manager of the Truckee baseball team in the Sierra Nevada League, announced this week that a practice meeting will be held at the Verdi diamond Friday at 5:30 p.m. and urged all prospective players to be on hand for selection of position and try-outs.

The practice will be under the direction of Coach Les Davidson and everyone is welcome to try out.

The first practice game of the season will be against Verdi at the latter's diamond, Sunday, May 11, at 2:15 p.m.

The regular scheduled season will open against Lovelock at Lovelock on May 18, with a game at Fallon on May 25. The first home game will be played June 1 when the Desert Admirals, the Fallon Navy Base team, will come here.

Wakefield said a local team is rapidly coming into form and that by the opening date he expects a good competitive club will take the field.

In the meantime, the local manager is continuing his efforts to provide uniforms and equipment and has asked that all equipment used by the team in past years be turned over to either himself or Davidson so that the need for new uniforms and equipment can be minimized. Response for financial aid through schedule advertising, Wakefield said, has been encouraging, but there is still a long way to go to secure the necessary money to see the season through.

JEFF JELIN FETED AT BIRTHDAY PARTY

Jeff, son of Mr. and Mrs. Walter Jellin, was feted on his seventh birthday, April 22, when his parents entertained several young friends in their Donner Lake home. Games were played by the group before serving a decorated cake and other refreshments. Those invited were: Sandy Davis, Linda Russell, Karl Sauby, Bruce Leamon, Bill Rose, Elgin Johnston, Brian Smart, Jonathan McLane, Rickey and Debbie Jellin.

GIRLS REGISTER TO ATTEND SCOUT CAMP

Nine Girl Scouts from Truckee registered for sessions at Camp Wasui, Meeks Bay, Lake Tahoe, this summer. Each session is for two weeks, the first beginning June 27.

Troop 132 registered Marcia Leamon, Anne Morey, Karen Walker, Lynn Quarty, Linda Banyard, Dorette Rose, Linda Giovannoni, Judy Giovannoni, and from Troop 131, Dawn Maynard.

RETURNS HOME

Mrs. Oscar Schumacher returned home after a month at Long Beach with relatives and many points of interest in the south. Mrs. Schumacher also visited Mr. and Mrs. Myron Young of Fresno and learned that they recently became grandparents. The Youngs formerly lived here.

School Play To Be Staged At High Gym Friday, Sat.

By DENNIS SCHLUMPF

This Friday and Saturday night at 8:30 p.m., the curtain will rise on the senior class production of "Arsenic and Old Lace." This Broadway success will be presented in the Tahoe-Truckee High School gymnasium. The proceeds from the play will be used to buy the senior class gift which is given to the school.

This year's play will be distinctive from the plays which have been presented in that there will be a complete interior set. The set was designed and built under the supervision of Nolan Little. Though the cost of the set was prohibitive in relation to estimated net gross, it was decided by the class to introduce realism into the high school theater, in hopes that the trend would continue in the future.

Heading the cast of this popular play will be Dean Holbrook, Nancy Crose, Joyce Slate, Richard Decker, John Magyar, and Fred Schultz. In the supporting roles there will be Dean Beyer, John Wood (Bergner Nelson), David Holleman, Donald Sites, Donald Van Hooser, Joyce Hallett, and David Whitley.

Tickets may be purchased from any senior or may be reserved by calling LUther 7-3574. Seating will be limited to 250 people per performance.

Bring your small children. Baby sitters will be furnished in the cafeteria. The charge will be only 25 cents a head for the whole evening of the play.

Calla Bick Expires Following Illness

Mrs. Calla Bick, for many years a resident of Truckee and widow of the late Joseph Bick, veteran Southern Pacific employe, expired Saturday at her home in Santa Clara following a brief illness.

Mrs. Bick, a native of Colorado, spent many years here where she was active in lodge and church work. A few years ago the family moved to Oregon and later back to Santa Clara after Bick's retirement.

Surviving are three daughters: Mrs. Claudia Loynd of Truckee, Mrs. Mary Pace of Santa Clara, and Mrs. Betty Molthan of San Francisco, all of whom were raised here and attended the local schools. One brother, Walter Elliott, resides in Sacramento and there are five grandchildren, George and Paul Pace of Santa Clara, Linda and Jim Loynd of Truckee, and Michael Montague of San Francisco.

The many friends of Mrs. Bick will sincerely regret her passing and will join in expressing sympathy to the surviving family.

1948 GAME PICTURES SHOWN AT ROTARY

Moving pictures of the 1948 Winter Olympics were shown at the meeting of the Truckee Rotary Club Monday night at Donner Lake Lodge by Melvin Pinkham of Eureka, a resident of Donner Lake during the summer.

Dick Swanson presided at the meeting.

FENCE ORDERED OUT ON BEACH AT TAHOE

AUBURN—The removal of a new fence from the Woodvista Subdivision beach at Lake Tahoe has been ordered by the Placer County Board of Supervisors as a part of the county's policy to prevent encroachment of the public beaches by private landowners.

The board this week instructed Gus Reeves, building inspector, to notify W. E. Gray his partially constructed fence should be removed from the portion of the beach the supervisors claim is public.

The board also receive four letters protesting the establishment of a proposed shopping center in a residential area near Tahoe City.

LORETTA ENDROUS BORN AT HOSPITAL

Loretta Lynn Endrous, weighing six pounds, six and three-quarters ounces, arrived at the Tahoe Forest Hospital Saturday, April 26th to brighten the home of Mr. and Mrs. Edward Endrous of Truckee. Mother and daughter are reported doing nicely.

State Seeks Bids On Another Part Of Freeway On 40

Magra Project In Line For Early Start As Bids Are Requested

The state division of highways has issued a call for bids for another link in the program of making U. S. 40 a freeway between San Francisco and Truckee for the 1960 Winter Olympics.

Latest bid call is for a \$3,260,000 job involving construction of a four-lane divided freeway and four structure for 4.5 miles, between 0.9 mile west of the Magra Overhead and a half a mile west of Monte Vista.

The Magra-Monte Vista job will connect with about 12 miles of four-lane freeway now under construction to the west, between Heather Glen, west of Colfax, and Magra. Including the job now being done up to bid, there are nine major freeway projects in progress on U. S. 40 east of Sacramento.

Still to be advertised is an 11-mile project from half a mile east of Roseville to one mile east of Newcastle.

Bids for the Magra-Monte Vista project will be opened in Sacramento on May 28.

When the Roseville-Newcastle construction is completed, there will be a total of 88 miles of freeway or expressway on the 122-miles of U. S. 40 between Sacramento and the Nevada state line.

DRIVER INJURED IN CRASH WITH TRUCK

Alfred I. Banducci, employed by the Gordon Ball Construction Company, was seriously injured Monday afternoon at 1:35 when the pickup truck he was driving was struck by a large truck driven by William E. Glines of Salt Lake City.

A passenger in the Banducci pickup, Frank H. Sale, escaped with minor injuries and after being treated at the Tahoe Forest Hospital was released.

The California Highway Patrol reported it was evident that Banducci was attempting a left turn into the yard of the Isbell Construction Company plant, 11 miles east of Truckee, when the vehicles collided. Glines was not injured.

LAST RITES HELD FOR MRS. MARY EDWARDS

Mass was read Saturday morning by Father Leo McAllister for Mrs. Mary Keiffer Edwards, who died at her home following a long illness last Wednesday. Rosary by Father P. J. O'Neill was recited Sunday evening at the Truckee Colonial Mortuary.

Pallbearers were Alex F. Ayala, William Fordham, John Golonka, George Benting, Edward Androus and Al Nix. Burial was in the Golden Gate National Cemetery at San Bruno Monday at 2 p.m.

FORMER LOCAL PAIR HAVE ANNIVERSARY

Mr. and Mrs. Guy E. McLeod, former Hobart Mills residents until 1937, observed their 50th wedding anniversary at their home near Nevada City Sunday. All their five children were present for the occasion and a number of friends were present for the pleasant afternoon.

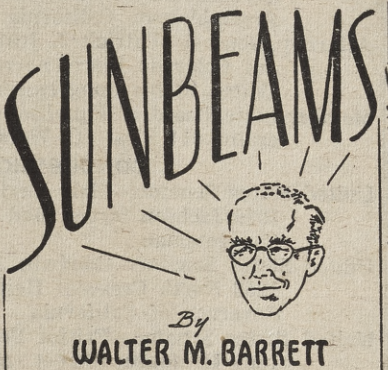

The McLeods live on a five and a half acre place which they maintain like a public park. They were married April 27, 1908 in West Plains, Mo. and in 1927 came to Hobart Mills where they resided until 1937 when they went to Nevada City.

The McLeods are the parents of Mrs. Ruth Rockholm of Truckee, Mrs. Thelma Dundas of Nevada City, James McLeod of Indian Flat, Henry McLeod of Grass Valley and John McLeod of Mather Airforce Base. The couple's seven grandchildren and two great grandchildren also were present.

CORBIN TO ADDRESS MEETING OF O. E. S.

The first stated meeting of Truckee Chapter No. 116 of the O.E.S. for May will be held on Tuesday, Lillian R. Miller will be chairman for the evening's entertainment and refreshments.

John S. Corbin, Superintendent of schools, will be the main speaker. All members of the Star are urged to attend this meeting. Worthy Matron Lillian L. Miller will preside.

Efforts to organize a baseball team for Truckee to participate in the Sierra Nevada League are meeting with very favorable reactions. We feel that Truckee can and will support a team that will bring credit to the community. There are many young men who will donate their time in order to play each Sunday, and with proper support this can not only put Truckee on the sports map, but will lend considerable to the economy of the community. It will also provide something additional for fans to do on Sunday afternoons. The sponsors of baseball are entitled to credit and we believe should have full assistance from the community.

For the past two or three years we have warned that this area soon would have a real housing problem and this prediction currently is bearing proof. Each day, more and more families are arriving and housing of all types is becoming non-existent or at a premium. It may be too late to fully correct the situation, but there is one thing that should be done, and that is to keep every available house or apartment listed with the chamber of commerce so that we can care for as many of these newcomers as possible.

EXPANSION PROJECT FOR Z MARKETS AT GATEWAY COMPLETE

In preparation for what is expected to be the busiest season in the history of the community, the Z Market at Gateway Shopping Center has completed a remodeling and enlargement program to provide a third more capacity.

Display shelves have been rearranged throughout the store, with double the frozen foods display space and a more convenient arrangement for patrons. The variety department has been enlarged but rearranged on both sides of the east section of the store.

Zeph Rose, who, with his brother, Dave, manage the Truckee store, said that the project cost in excess of \$20,000, including the new freezers and display shelves. A larger and more varied stock is being installed.

CANDIDATES WILL BE AT TAHOE MEETING

KINGS BEACH—A meeting at which all candidates for public office are invited to speak has been announced by the Kings Beach Community Club for 7:30 P. M. in Carpenters Hall May 7th.

Harry Stubley, who is in charge of invitations and introductions, said he had received acceptances from Senator Harold T. Johnson, Curtis Tarr, Johnson's opponent in the race for congress; Assemblyman Francis Lindsay and Lindsay's opponent, Mayor Paul Lundard of Roseville. Each candidate will be permitted 10 minutes time for speaking and will answer any questions.

MRS. HINTZ SON TO GRADUATE IN EAST

Mr. and Mrs. Ermin Hintz received an invitation to attend the graduation of her son, William Still, on May 12 from Wayne University at Detroit, Mich., where he has been studying law.

A reception will follow the ceremony. The young man, according to Mrs. Hintz, was in the armed services in Korea, returning to graduate three years ago from the University of Tennessee with a bachelor's degree in science.

HUGHES HONORED BY STATE EMPLOYEES

P. O. Hughes was presented with his gold past president's pin at a dinner given last Friday at Donner Lake Lodge by members of the C.S.E.A. John Patterson was master of ceremonies.

The affair was also given as a farewell party for Mr. and Mrs. Hughes who are going to Yreka where he has assumed his position as division of highways superintendent in that district.

School Officials Adopt Calendar For Coming Year

Holidays Listed For Year As Board Outlines Calendar

At their recent meeting members of the governing board of the Tahoe-Truckee Unified School District adopted the school calendar for the 1958-59 year.

Under the schedule, school will open Sept. 10, following the Admission Day holiday on the 9th and will close on June 12, after 179 teaching days.

Recognized holidays will be Admission Day, Sept. 9; Veterans' Day, Nov. 11; Thanksgiving, November 27; Christmas, New Year's Day, Washington's Birthday and Easter.

Vacations will be from Dec. 22 through Jan. 2 for Christmas and New Year's, and from March 23 through March 27 for Easter. Schools may be in session on Nov. 11, Feb. 12 and May 30 since the schools may be closed because of inclement weather on other days during the year.

In other action the board accepted resignations from Helen Camp of the Truckee elementary school and Ruth Croxen of the Kings Beach School and employed Edward L. Morris, arts and crafts, for the high school; Alene Roth, Truckee elementary school; Donald Tipton, Truckee elementary school, and Donna Power, Donner Trail elementary school.

The resignation of Orion Stewart, teaching principal of the Donner Trail school, was held in abeyance pending the investigation of the housing situation.

Discussion was held concerning discontinuance of the Donner Trail school after the new elementary school is built in Truckee. No decision will be made pending a full investigation.

BIDS ARE ASKED FOR SURVEY AT TAHOE

The California-Nevada Interstate Compact Commission of California has asked public opinion survey firms for bids to conduct a poll of California residents at Lake Tahoe concerning lake water levels.

The survey, for which the commission placed a budgetary limitation of \$12,000, is slated to begin in the summer. Its purpose is to learn the desires of the Tahoe residents concerning the lake water levels. Property owners there have complained high water levels have damaged beach property.

Results of the survey also will guide the commission in its negotiations with Nevada with respect to allocation of waters in Lake Tahoe and the Truckee, Carson and Walker Rivers.

MRS. JACK ELLIS IS HOSTESS TO FRIENDS

Mrs. Jack Ellis was hostess last week to a group of friends who spent the evening visiting. Refreshments were served at the close of the pleasant affair.

Those present included Mesdames Kenneth Hedlund, Alvin Nix, Stan Drakulich, J. Vind, J. Mitchell, Lee Apple, Hugh Weinand, Zeph Rose.

NEVADA COUNTY TO SHARE FILING FEES

SACRAMENTO (CNS)—Secretary of State Frank J. Jordan announced he has received \$62,725 in filing fees from candidates for the June 3 primary election, of which \$422.65 will be apportioned to Nevada County.

The total included \$20,560 from candidates for U. S. Senator; \$2,080 for Board of Equalization offices; \$30,825 for congressional offices; \$2,160 for the state senate, and \$7,100 for the assembly.

WYETHIA CLUB MEETING

A one o'clock luncheon in Brown's restaurant dining room will precede the regular meeting of the Wyethia Club, tomorrow, Friday, May 2. All members and guests are cordially invited to attend.

PARTY SUCCESS

The Donner Lake Fire Department and Ladies' Auxiliary realized a profit of \$247.80 from their recent public card party at Donner Lake Lodge. They expressed their appreciation to those who donated and purchased tickets for the affair.

Pre-School Listing Of Children Will Be Started May 12

Pre-registration of all children who will be entering kindergarten for the first time this September in this school district, will be held the week of May 12, District Superintendent John Corbin announced.

Due to the influx of new students anticipated for the coming year, preference will be given to those registering at this time. This procedure will alleviate the stresses of conducting registration on the first day of school in September and enables officials to be prepared for the reenrollment.

No child may be admitted to the kindergarten who is not at least four years and nine months old on September 1, 1958 or born later than December 2, 1953. Similarly, no child shall be admitted to the first grade who is not at least five years and nine months old on September 1, 1958 or born after December 2, 1952.

Parents are asked to bring verification of birth, such as certificate of birth, baptism certificate, passport or a notarized affidavit. Schedule for the pre-school registrations will be as follows:

Tahoe Lake School, Tuesday, May 13, 1:00 P.M.
Donner Trail School, Wednesday, May 14, 10:00 A.M.
Kings Beach School, Thursday, May 15, 1:00 P.M.
Truckee Elementary, Friday, May 16, 1:00 P.M.

Diagnostic Care At Hospital Proposed

Possibility that diagnostic care may eventually become a part of hospital and medical insurance coverage was envisioned by J. J. McGlade, administrator of Tahoe Forest Hospital upon his return from the 28th annual convention of Western Hospitals held in San Francisco.

Such a plan was set forth by Basil C. MacLean, M.D., president of the Blue Cross Association, New York City, in his address to the 4,000 hospital officials in attendance at the hospital conference. Delegates also heard Frank S. Groner, administrator, Baptist Memorial Hospital, Memphis, Tennessee, speak on comprehensive community-wide health and hospital care for everyone.

The importance of "intensive care" units in hospitals to care for critically ill patients, under special supervision in areas equipped with all the latest medical and hospital equipment, was a prime subject of discussion as were costs of providing such specialized care.

Scores of special and instructive sessions on virtually every facet of hospital operation and how to improve them were held. Over 150 firms from throughout the nation presented an exhibit of 200 booths in the civic auditorium, showing the most modern hospital equipment and supplies in use which attracted wide attention.

"Tremendous progress is anticipated in hospitalization during the next few years. Modernization planning must begin immediately in every hospital in the nation in order to meet this constantly growing challenge," declared McGlade.

MISSION SPEAKER TO PREACH HERE MAY 4

Father P. J. O'Neill, pastor of the Catholic Church, this week was reminding parishioners of the mission starting in Truckee at the Assumption Church Sunday, May 4, during which Father Fred McClary, C.S. R., widely known speaker, will conduct the meetings, to continue until May 11.

Father McClary will conduct a similar mission at Corpus Christi Church at Tahoe City between May 11 and 18, Father O'Neill said. Everyone is invited.

ON JURY

James R. Morhain was the local juror selected this week in the \$575,000 damage actions arising from the Hughes Inn blast case, heard by Nevada County Superior Judge Vernon Stoll.

PIANO RECITAL

The program for the May 12th meeting of the Truckee Elementary School will include a piano recital given by students of Mrs. William Englehart, Jr. arranged by Mrs. Victor McLane, chairman.

The Jack Waggoner address is changing this week from Dutch Flat to Donner Lake.

Chamber, Firemen To Cooperate On Cleanup Program

Homeowners Are Asked To Have Rubbish Ready For Trucks

In cooperation with the Volunteer Fire Department, the Truckee Chamber of Commerce on May 10 will sponsor a cleanup campaign in Truckee and the following Saturday will repeat the program at Gateway Park.

All residents of the areas are asked to clear out attics and basements, rake up yards and clean out all possible trash, put it in a neat pile or containers and trucks will call and cart the debris away.

Not only will this provide a cleaner community, but will eliminate a dangerous fire hazard, N. F. Dolley, chamber president and chief of the fire department, declared.

The action was decided at the luncheon meeting of the chamber directors at Brown's Wednesday. At the same meeting it was voted not to sponsor the annual fireworks display this year because of the excessive cost of the project with other and more important plans pending.

The chamber also voted to request local business people and their employees to park their vehicles on the south side of the main street or in the alley back of the main business section. This, it was pointed out, would provide more parking for shoppers wishing to patronize local stores.

The directors of the chamber have ordered the directional sign at the Tahoe-Truckee wye on Highway 40 removed and stored until it is needed. Currently, it was pointed out, the information is incorrect and misleading.

Branagh Replaces Rickel In Forest

Henry E. Branagh, regional safety officer for the California Region of the Forest Service has been promoted to the supervisory position of the Tahoe National Forest, Regional Forester Chas. A. Connaughton announced.

Branagh replaces Supervisor L. A. Rickel, Jr., who is transferred to the regional office in San Francisco as assistant regional forester in charge of a new division of watershed management. Rickel's transfer and Branagh's promotion will be effective May 4.

Branagh is no stranger to the Tahoe National Forest area. He was a staff officer in charge of timber management at that forest with headquarters in Nevada City from 1951 to 1955.

Branagh is a graduate of the University of California School of Forestry, class of 1937. He entered the forest service upon graduation and rose through the ranks as assistant ranger, ranger and supervisor's staff assistant on various national forests in California with a brief interruption while occupied in the Army.

For the past several years, Branagh has been regional safety officer for the California Region of the forest service. In that position, he directed the region's safety program. He has had marked success in reducing accidents and injuries to forest service personnel including those temporarily employed in the hazardous occupation of fighting forest fires, Connaughton pointed out.

Branagh is married and has a son, 17, and twins, a boy and a girl, 13 years old.

FIGHT AGAINST PINE BEETLE IS STARTED

CRYSTAL BAY—Forest service officials are mapping plans to fight a serious infection of mountain pine beetle in a 1,600 acre tract at Lake Tahoe.

The forest service, the California-Nevada Lake Tahoe Association and George Whittell, principal landowner in the infested area, have signed an agreement distributing the cost and responsibility of the battle against the beetle.

The tree will be removed before June 30 to insure control of the insect which eventually kills the trees, a second growth of ponderosa pine. About 2500 trees will have to be logged out at the extreme north end of the lake and burned.

PROMOTION GIVEN LOCAL BANK MAN

Bruno Bellotti who has been with the local branch of the Bank of America for some time has received a promotional transfer with the concern and will leave Friday for his post as operations officer at the Oak Park branch at Sacramento, according to an announcement by Lee Apple, local manager.

Mrs. Bellotti and their three children are now living in the capital. Carl Forrest of Grass Valley will replace Bellotti and as soon as housing is secured he will be joined here by his wife and small child.

One of the oddest members of the mustard family is the squawcabbage, *Caulanthus inflatus*.

Myrtle wood is said to grow only in the Holy Land and in the coast region of Oregon.

SUIT IS FILED FOR BUS MISHAP DEATHS

AUBURN—A suit asking \$165,503 damages has been filed against the Pacific Greyhound Lines as a result of an accident on U. S. Highway 40 a year ago in which three persons were killed.

Named as defendants in addition to the bus line are the estate of Bobby Lloyd Sullivan, 18-year-old driver of the car which collided with the bus; Bert Frizzell and Dean Frizzell, named as owners of the car, and Ollie Newcomb of Reno, Nev., the bus driver. Rainbow Tavern in Placer County, killed in the crash just east of

were Sullivan, of Monterey Park; Nora Souza, of 4108 33rd Street, Sacramento, and Earl Roy Eunice, of 7621 Marin Avenue, Sacramento. They were all riding in the car.

Plaintiffs are Ruby Johnson, who asks \$25,685 for the death of her son, Earl Eunice; Margarete Duval, of 1706 P Street, Sacra-

Chronicle Man Chosen To Publicize Olympics

Appointment of Roger Thompson as assistant public relations director for the VIIIth Olympic Winter Games at Squaw Valley in 1960 was announced by Prentis C. Hale, president of the organizing committee.

For the past six years Thompson has been a reporter for the San Francisco Chronicle. His appointment is effective immediately.

Thompson will assist public relations director Jack Geyer in informing the public and winter sports organizations of construction progress, and in preparing transmission equipment and housing for several hundred domestic and foreign media representatives.

Additionally, Thompson will be responsible for the operation of the three press centers: the press building, the press box in the 11,000-seat ice area, and press headquarters at the newly refurbished Nevada Lodge.

Public relations headquarters are at the organizing committee offices, 333 Market Street, San Francisco.

Thompson, 31, has been a general assignment reporter with the Chronicle since March, 1952. He also served as Chronicle ski reporter in 1953-54.

LAKE LEVEL
TAHOE CITY—With 17 gates open into the Truckee River, the level of Lake Tahoe on Monday was 6228.03 feet, Art Frodenberg, cooperative observer, announced. There were still 39 inches of snow on the ground at Tahoe City, but no precipitation has been recorded during the past ten days. Temperatures have moderated and the low for the week was 23 and the high 51 degrees.

Public relations headquarters are at the organizing committee offices, 333 Market Street, San Francisco.

Thompson, 31, has been a general assignment reporter with the Chronicle since March, 1952. He also served as Chronicle ski reporter in 1953-54.

BOB SLED EVENT FOR OLYMPICS PROBABLE

Whether or not the bobsled races will be included in the 1960 Winter Olympic Games at Squaw Valley is still a moot question.

A press dispatch from Paris this week said the International Bobsled Federation is still fighting to get the event reinstated and has high hopes of success.

Count Renaud de la Fregeolere, president of the federation, said the question would come up for a final decision at the International Olympic Committee session starting May 14 in Tokyo.

The bobsled event was thrown out of the 1960 Olympics when the IOC met in Sofia last fall. At that time, Prentice Hale, president of the Squaw Valley organizing committee, told the IOC that only two nations had definitely promised to take part.

Olympic rules provide that events must be held only if 12 nations are entered. Since construction of a bobsled run would

cost about \$750,000 and contracts would have to be let quickly, Hale asked permission to drop the event. The IOC agreed.

The International Federation—led by the Italians, who have been strong in this event—immediately claimed the letter asking about participants was sent to national Olympic committees, who replied without checking the bobsled federation.

The latest issue of the Olympic Bulletin said that 12 nations now had been signed up for Squaw Valley—Germany, Great Britain, Austria, Argentina, Belgium, Canada, Spain, United States, France, Italy, Romania and Switzerland.

**TAHOE TRUCKEE
SCHOOL NEWS**

TRUCKEE ELEMENTARY
KINDERGARTEN: We were very
pleased with the response of the
parents to our Open House for
National Education Week.
Gary Schumacher joined our
class this week. His father, L. E.
Schumacher, is an engineer, and
they moved to Truckee from West
Sacramento.
FIRST GRADE: We are very
proud of Michelle DeLisle. Michelle
won the beginners' race during the
field day activities at Sod Springs
on April 16. Racing against a group
of first, second and third grade
girls.
FIRST & SECOND GRADE: We
were very pleased at the number
of parents who came to Open
House.
Our first grade has six boys
again. Curtis Melugin has re-
turned after attending school in
Santa Maria.
SECOND & THIRD GRADES: We
were happy to have nearly all the
parents visit our room during
Open House.
Those having correct final tests
on Friday were: Darlene Doolittle,
Mary Ann Moore, Ronnie Walker,
Pamela Horman, Darlynn Ingalls,
Dennis Crandall, Bruce Ayala,
Barry Waters, Diane Daly, Danny
Funk, John Gholson, Bobby Gold-
smith, David Higgins, John Clar,
Marion Ayala, Phillip Ridsen, Bill
Rose, and Charles Collier.
THIRD GRADE: Star spellers
this week are: John Collier, Cheri
Comola, Cheryl Rockholm, Dana
Scanlon, Danni Richards, Gail
Englehart, Gary Waters, John
Goldsmith, Heidi Euer, Kathryn
Braasch, Lucille Knauss, Mary
Braley, Nicky Kenyon, Sharon
Peterson, Tim McLane, Beverly
Holleman, Donald Whiteneck,
Rhonda Manley.
A list of difficult words was
spelled without errors by Tim
McLane and Donald Whiteneck.
We are pleased to welcome back
Jack Melugin who has been in
Santa Maria for the winter.
At Open House, the following
people demonstrated their tumbling
skills: Eileen Olson, Gail Engle-
hart, Gary Waters, Bill Waters,
Pat Merica, Susie Olano, Linda
LaMar, Jonny Hiatt, Russ Glenn,
Gary Kehm, David Derting.
FOURTH GRADE: Open House
featured the activities for the
week. Giving credit for special
contributions, the charts on arith-
metic and spelling were the com-
bined efforts of Betty Saarni,
Diana Pankoke, Charles Trainor,
and John Sturcke. The water col-
ored geometric designs were done
by Connie Rhoades. Steve Van
Sickle's map and peep show at-
tracted a great deal of attention.
Most creative was the Betnick (a
cardboard sputnik) designed by
Betty Saarni. Teddy Daniel's peep
show also received a great deal of
acclaim. We all helped in cleaning
up the room.
FIFTH GRADE: We wish to ex-
press our appreciation to our par-
ents and friends for helping make
the Open House such a success.
Dianne Baumgarner enrolled in
the fifth last Tuesday from Reno.

SIXTH GRADE: We have three
new students in our classroom: Rae
Lynn Rasmussen, Lester Schu-
macher, J. W. Patzig.
Last week we studied the simi-
larities of Canadians and Ameri-
cans and the reasons for these
likenesses.

KINGS BEACH
KINDERGARTEN: A new boy
enrolled in our class from Sparks,
Nevada. His name is Larry
Gibson.
FIRST GRADE: We are now
moved back into our old classroom.
We are back working on our unit
of wheels. Everyone in our class
made 100 per cent in spelling again
Friday.
SECOND & THIRD GRADES:
Forty-five signatures were added to
our list of visitors who visited our
class Open House evening, on Wed-
nesday, April 23. Bobby Brandt is
back with us. He spent the winter
in San Jose. The new second grade
boy is David Weyman.
THIRD & FOURTH GRADES:
Twenty-four families came to our
Open House on Wednesday. The
third and fourth grades were happy
to have so many parents come to
visit their room.
We are happy to welcome Kathie
North to our room.
FIFTH & SIXTH GRADES: We
enjoyed assisting Mrs. Croxen's
room in a Circle Dance. We are
learning multiplication and cross
division of fractions.

TAHOE LAKE
KINDERGARTEN: Our 30 kin-
dergarteners proudly showed off
their work to parents and friends
last week at our Tahoe Lake Open
House. Center of comment in the
room was the sign on the board:
We can TEACH the well-mannered
children and "try" to DISCIPLINE
the others.
Star papers this week were done
by Colleen Howard, Nancy Beavers,
Debra Stark, Toosie Speeter,
Becky Yeager, Sally Starratt, Karla
Meixner, Lisa Beckman, Debbie
Rich, and Sands Hall.
In our afternoon reading class
the following first graders made
100 per cent on the last vocabulary
test this week: Eric Poulsen, Steve
Mitchell, Calvin Becholt, Mark
Calhoun, Ann Starratt, and Shirley
Rae Gratrner.
FIRST & SECOND GRADE: In
the weekly spelling test in second
grade the following people made
100 per cent: Bro Shontz, Erik
Henrikson, Karen Meixner, Tommy
Hoff, and Tommy Carnell.
SECOND & THIRD GRADES:
Social studies' reports of merit this
week were as follows: John Carnell
reported on Arizona, and glamor-
ized his talk with some beautiful
souvenirs brought back from that
state, consisting of two handsome
Kachina dolls, a Navajo rag doll,
a prayer rug, and three pieces of
lovely brightly painted pottery.
FOURTH GRADE: Kristen Meix-
ner and Karen McBride were again
our "spell-down" champs for the
week.
We wish to thank all the mothers
and fathers that visited our room
during Open House.
FIFTH AND SIXTH GRADES:
Those pupils excelling in good
citizenship this week were: Don
Bury, Mike Keehn, Greg Moore,
Jayne Shontz, Linda Westberg,

EQUIPMENT DEFECTS CAUSE OF MISHAPS

SACRAMENTO — Defective brakes, bad tires, and improper lights led the list of motor vehicle defects noted in injury and fatal traffic accidents in California last year according to a report released by the California Highway Patrol.

"Defective brakes accounted for 48.1 per cent of all mechanical defects found in fatal and injury accidents during 1957," declared Patrol Commissioner B. R. Caldwell. "This reveals an evident lack of proper care of brakes by some motorists."

"Smooth tires, punctures, and blowouts totaled 18.6 per cent of all such defects indicating care of tires is essential to motoring safety," Caldwell stated. "Improper lights added up to 12.2 per cent of the defects noted in injury and fatal accidents during the past year."

Other reported deficiencies were worn steering mechanisms, inadequate windshield wipers, rear view mirrors in poor condition, and cracked or damaged windshields and windows," he continued. "All inadequacies should be corrected as soon as possible, and the car rechecked from time to time to insure continued good mechanical condition so essential to safety in traffic."

TAHOE ROTARIANS ENJOY WINE SAMPLES

TAHOE CITY — Thirty-three members of Tahoe City Rotary Club and a number of guests were treated to a pre-meet of wine sampling at the April 22 meeting at Tahoe Inn and they had the choice of wines sampled during the dinner.

Representatives of a Napa Valley wine company answered questions on the making of wine from the various types of grapes.

THREE LAKE CLUBS GET LICENSE NOD

CARSON CITY—Nevada's gaming control board gave the green light to three Lake Tahoe gambling casinos operating seasonally but said it wants more information from two of them before they open their doors.

The three-man board last week approved license applications from the Bal Tabarin and Cal Neva Lodge at Crystal Bay and the Tahoe Palace at Stateline. However, the Bal Tabarin and Cal Neva Lodge must submit acceptable financial and method of operation reports before state gaming licenses will be issued.

Ernest H. Pomin wrote last week from San Francisco that they would be returning to Tahoe City this week, preparing their resort for early opening.

CURTIS TARR HERE ON CAMPAIGN TOUR

CURTIS W. TARR

Curtis W. Tarr of Chico, a candidate for Congress from the Second California District, visited Truckee and Lake Tahoe this week in behalf of his campaign.

Tarr, a native son, a farm implement dealer, graduated with distinction from Stanford and Harvard Business School with a master's degree in business administration. He is a veteran of World War II and was a sergeant in the European theater including the Battle of the Bulge.

The candidate was a staff member of the Hoover Commission, a consultant to the commanding officer, Waterford, Mass., arsenal; consultant to the office of chief of ordnance, U. S. Army, Washington, D. C.

He seeks to represent the 19 counties of the Second District, an office now held by Congressman Clair Engle, who is running for

SUIT FILED TO CLEAR TITLE TO HIGHWAY

AUBURN—A condemnation suit was filed in the superior court last week by Placer County to obtain land for road construction on the Truckee shortcut to Lake Tahoe.

Named as defendants in the suit are Alvin Waddle, Emma Waddle, Wesley Waddle, Elizabeth Waddle, Joseph Joerger, Mabel Joerger, and Fiberboard Products, Inc.

District Attorney Al Broyer filed the suit for the county. An order for immediate possession was signed by Judge Lowell Sparks.

Tarr has a varied background of experience despite the fact he is only 33 years of age.

SQUAW VALLEY SUIT TO PLACER COUNTY

AUBURN — A \$75,000 personal damage suit, filed against the Squaw Valley Corporation by a couple who were stranded on the ski tow, has been transferred from San Francisco to Placer County.

Superior Judge Milton D. Sapiro of San Francisco ordered the transfer at the request of the corporation, after attorneys for both sides agreed.

Clifton and Juanita Woodland filed the suit, charging they were left stranded on the ski tow on Sept. 11, 1957. Woodland declared he slipped and fell when he attempted to climb down, after he and his wife called for help and

GOVERNOR SIGNS FOUR NEW BILLS

SACRAMENTO (CNS) — Gov. Goodwin J. Knight announced he has signed the following bills into law, all from the First Extraordinary Session:

SB56 — Richards: Extends 60 days from July 1, 1958, the date after which trailer coaches must meet Division of Housing requirements on plumbing, heating or electrical equipment.

SB60 — Grunsky: In San Benito County Water Conservation and Flood Protection District Act, allows special tax levies for pay-

ments under contracts with other governmental bodies in excess of general tax limits of 25 cents per \$100 of assessed valuation.

AB130 — Lowrey: Authorizes revenue bond indebtedness by river port districts for acquisition, construction of improvements, property or facilities.

AB132 — Hawkins: Reappropriates \$352,000 to be used for First Extraordinary Session expense for printing, etc.

were not assisted. He asks \$50,000, while Mrs. Woodland asks \$25,000.

How Standard uses earnings to back its faith in the future

The U. S. will need as much oil in the next 15 years as it produced in the past century. To locate new sources of oil and develop known fields, we invested \$280,915,466 last year . . . drilled 968 new wells, of which 176 were dry holes.

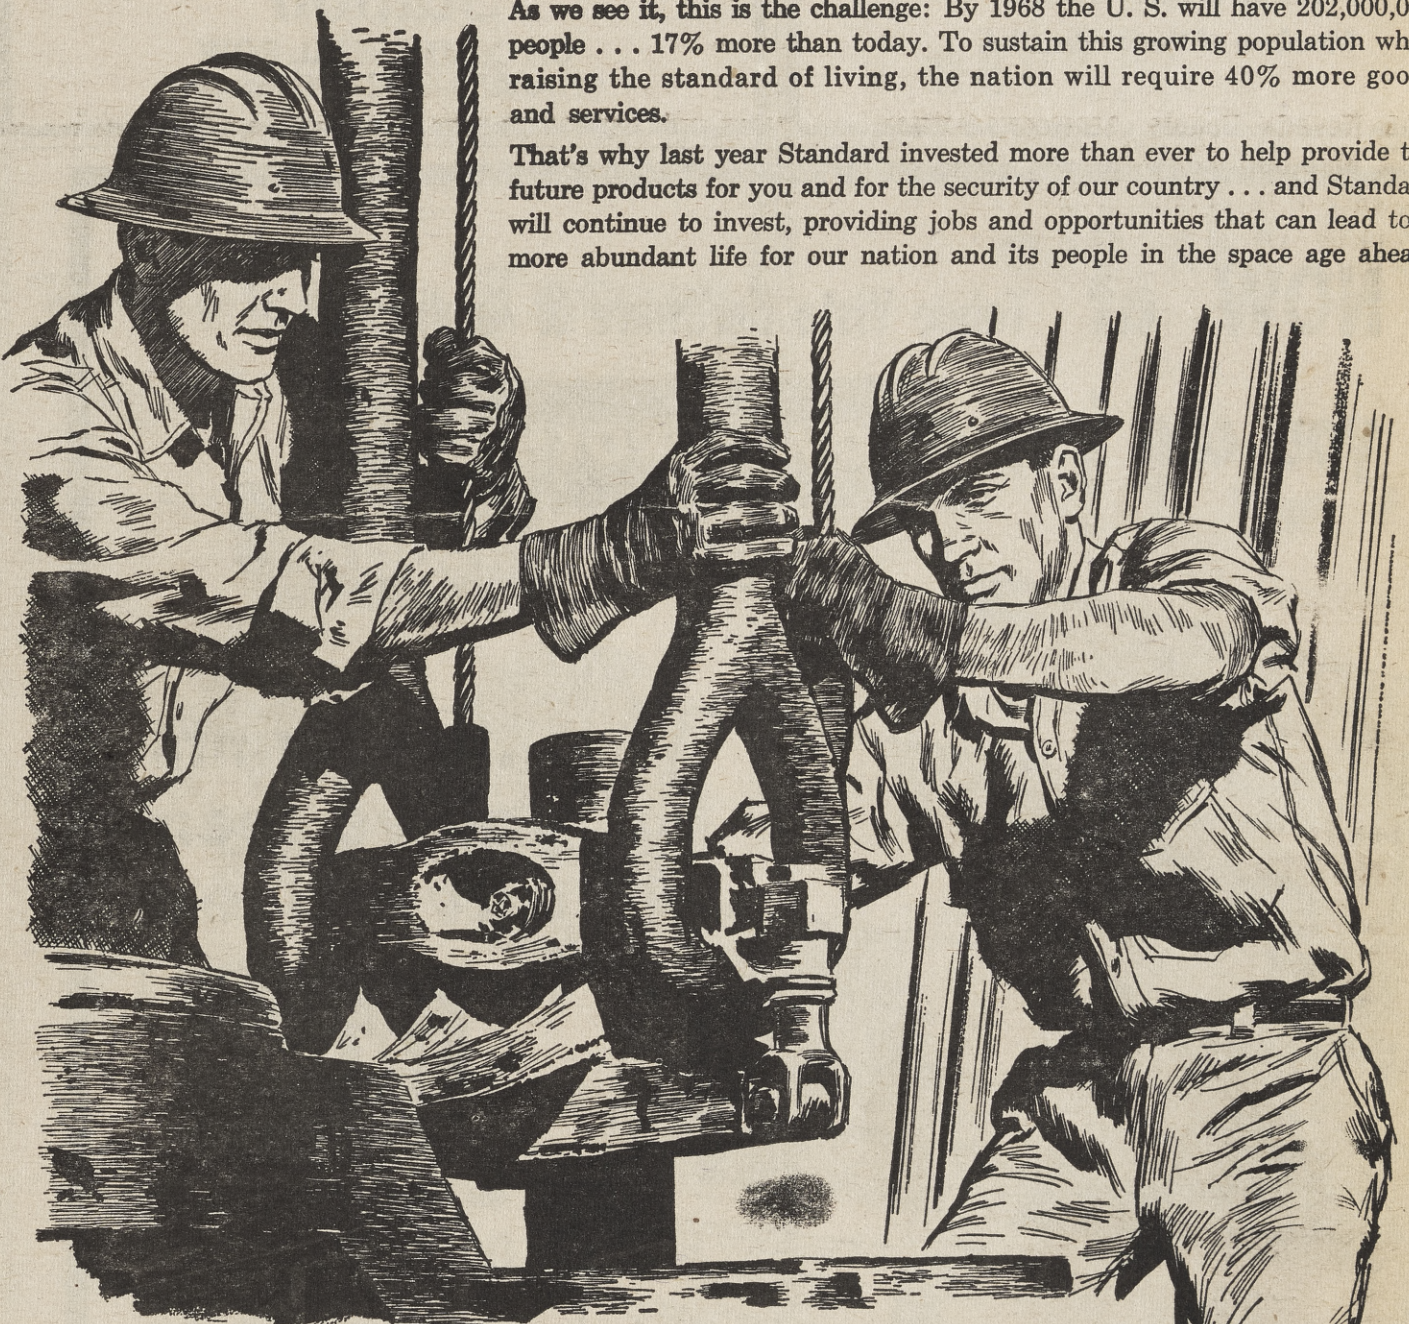

To help transport more oil and finished products in the future Standard has placed orders for \$148,368,510 worth of new facilities, including 10 supertankers, greater pipeline capacity and additions to our fleet of trucks and trailers.

Research helps create new products . . . and new jobs. During 1957 we had 1400 full-time employees in research and technical services alone. As a result of continuing research we now make more than 1,000 products that were not marketed 15 years ago.

While most of Standard's income went back into the business, our 148,315 stockholders received about 4¢ for each dollar of stock investment at market value. Dividends encourage future investments, helping all business to expand and improve service.

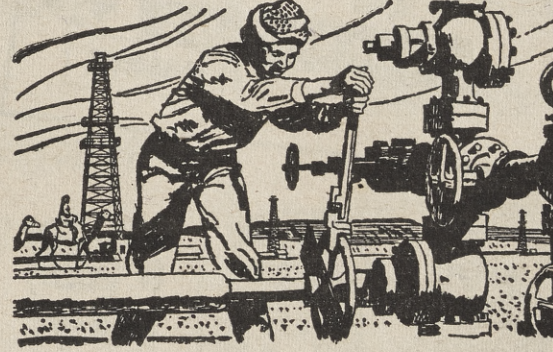

Economic progress doesn't just happen. It must begin with confident, long-range planning to meet the challenge of the future.

As we see it, this is the challenge: By 1968 the U. S. will have 202,000,000 people . . . 17% more than today. To sustain this growing population while raising the standard of living, the nation will require 40% more goods and services.

That's why last year Standard invested more than ever to help provide the future products for you and for the security of our country . . . and Standard will continue to invest, providing jobs and opportunities that can lead to a more abundant life for our nation and its people in the space age ahead.

Again last year Standard was one of the West's largest customers. Our purchases included 50,000 tons . . . helped provide employment and payrolls for more than 10,000 large and small business firms in hundreds of Western communities.

Through affiliates we also helped advance progress in more than 70 friendly Eastern Hemisphere countries. Oil development helps local business, provides employment and supplies funds for education, health and housing.

STANDARD OIL COMPANY OF CALIFORNIA

WEATHER

Yes, believe it or not, it has been gradually warming up during the past week. Daylight saving is the bargain now for some full days of sunshine. Lots of folks don't like it. For me it's O.K.

LOOKING AROUND

The Tahoe Biltmore is building fast now that the stormy weather has diminished. Baky Harris and Jimmy Hume of the North Shore Club were here looking over the building. They plan a June 13 opening. Can't be too soon, huh?

Steve Riolo was up over over

the week-end and brought our old friend, Carl Schwartz, to care for the inn, according to Red Decker. And the Chuck Moseleys are building a grand addition on their home at Tahoe Vista.

EL-TA-HO-SHRINE

Approximately 200 members and friends attended the annual fish fry at the EL-TA-HO Shrine Club held at the Crystal Bay Club last Saturday night. Members came from near and far. Besides the dinner party it was a regular fashion show. Games and dancing continued 'til the wee hours—in fact 'til almost noon the next day—what a night it was.

NEVADA CITY SEEKS PLACE IN OLYMPICS

NEVADA CITY—Nevada City is going to be "on the map" for the 1960 Winter Olympic Games at Squaw Valley if the Nevada City Chamber of Commerce has anything to say about it.

This was the dominant theme that came out of a recent meeting, during which member after member expressed varying degrees of irritation and indignation over the fact that the Organizing Committee of the Olympic Games did not see fit to include Nevada City in the descriptive folder being distributed to ballyhoo the games.

I was decided to make contact with the advertising firm of J. Walter Thompson & Co., in charge of the Winter Olympics promotion, in an effort to put Nevada City in the promotional picture.

Members said they wanted to have attention called to the fact that Nevada City has much to offer the Olympic visitors in the way of tourist values.

In the same connection, a decision was reached after discussion to make a thorough survey of living quarters, particularly hotel and motel space, in an effort to bring construction workers here for lodging.

It was pointed out that a large number of road workers will be coming into the area on the project to widen Route 89 to the site of the Olympic Games, as well as to work on other large-scale highway jobs.

It was remarked that prices for food and lodging in the Truckee area have become "inflationary," leaving the way open for a Nevada City push in this field.

The organization secretary, Mrs. Gwen Anderson, was instructed to gather the necessary information for presentation at the next meeting.

Also suggested as a further aid to construction workers was a concerted effort to arrange car pools for the men when and as needed.

\$27,000 JUDGMENT IN DEATH CASE AWARD

NEVADA CITY—A superior court jury deliberated four hours late last Wednesday afternoon and approved a \$27,500 judgment to the widow and two daughters of William Lewis, who died of injuries in a car crash in February 1957. Victor McLane and Mary Zunino, both of Truckee, were two of the selected jurors on the case.

Lewis died two weeks after his jeep collided east of Nevada City with a pickup truck driven by Robert Hower, defendant in the action.

Mrs. Nora Lewis, the widow and guardian of Andrea and Noreen Lewis, had asked \$100,000 for the wrongful death of the husband and father.

Damage From Storm In County Set at \$120,000

Nevada County's estimate of recent storm damage from the "last licks" of winter during Easter Week, were reported as \$120,000 in figures tabulated by the state department of public works. The estimate for the state as a whole was \$20,160,000. A flood relief appropriation of \$15,000,000 will be asked in the 1958-59 state budget now before the legislature.

Other damage in adjacent counties were estimated as follows: Sierra, \$75,200; Yuba, \$81,800; Placer, \$155,000; El Dorado, \$100,000.

GOVERNOR CALLS FOR FEDERAL TAX CUTS

Governor Goodwin J. Knight has called for a substantial federal tax cut to stimulate the economy and warned Americans to "beware the calamity howlers who would have the federal government rush into action with leaf-raking panaceas."

Speaking to an enthusiastic crowd of Northern California supporters and campaign workers at the opening of the San Francisco Knight for Senator headquarters, Knight declared "there is little wrong with our economy that permitting the taxpayer and wage earner to keep a greater portion of his income won't cure."

Describing federal taxation as at an "almost confiscatory level," Knight said "a dynamic economy can only be stifled when from 20 to 90 cents of every dollar earned must be paid to the federal government."

"I say that a substantial federal tax cut would be the greatest possible shot in the arm for the American economy."

Knight lashed at his opponent, Congressman Clair Engle, for advocating "as a political expedient, an unrealistic tax cut by increasing the individual tax exemption from \$600 to \$700."

"The average American wouldn't be able to find the evidence of Mr. Engle's tax cut in his pocket-book with a microscope," Knight declared. "I mean a tax cut which would put real spending money in the pocket of the American taxpayer."

Knight also swung hard at "calamity howlers" who advocate fed- and "pump priming measures which of themselves will not create prosperity."

"Our problem," he said, "is to permit the wage earner, the businessman, the farmer to keep more

47 PERCENT OF TAX GOING TO SCHOOLS

Biggest chunk of the property tax dollar in Nevada County—47 per cent of it—goes for the support of the public school districts in California, S. J. Arnold, general manager of California Taxpayers' Association, said.

Property taxes for the public school districts in the county this current fiscal year total \$867,827, out of the total county-wide property tax levy of \$1,845,675, Arnold pointed out.

Along with the \$867,827 levy on property for public school district support, the school districts in the county this year will receive some \$687,107 from the state treasury for school district support. This does not include the state apportionment for growth.

State-wide, almost half—47 per cent—of the property taxes levied are for support of the public school districts—\$781,436,400 out of the \$1,674,983,585 total levy for 1957-1958.

In addition, about 28 per cent of the total state budget—\$665,485,942 out of the \$1,993,848,507 total for 1957, is for support of public school districts.

Highest item in the operating costs of school districts is for salaries of teaching personnel, Arnold said. Average pay for teachers throughout California this year is \$5,750 he stated.

Of what he earns. He will then buy what he needs and wants; he will stimulate production, and create jobs.

"He will demonstrate that the basic principles which have made America great are as valid today as when they were first enumerated."

OPINION BLOCKS LAKE SURVEY FOR PLAN

An opinion by the Nevada state attorney general's office at Carson City last Thursday has blocked a proposed regional planning study of the shoreline of Lake Tahoe in Nevada and California.

It had been urged by the Ne-

vada-California Lake Tahoe Association that the three Nevada and two California counties form planning commissions to seek Federal funds to pay half the cost of the study.

It was ruled, however, that planning commissions in Nevada have no authority to enter into contracts with Federal authorities.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

It sure seems to be spring at last, and once again we are on daylight saving time, the snow is melting rapidly and with it the gloomy looks. Everyone looks brighter and cheerier.

WOMEN'S CLUB

The lovely spring luncheon planned by the Tahoe Women's Club will take place today at Smart's. Along with an enjoyable social afternoon will be important business so all members should plan on attending. The Truckee Women's Club are among the special guests and all members are also urged to bring their friends. In charge of the decorating committee is Mrs. Marshall Rukala, assisted by Mrs. Ray Grahn. Mrs. Tom Sheehan and Mrs. Dorothy Bury.

LADIES NIGHT

The Volunteer fire department of Tahoe City had a steak dinner at the Tahoe Inn Saturday night in honor of their wives, also attending were the Fire Commissioners Jack Snyder, Martin Spitsen, Harry Johnson and Mr. Douglas.

GOOD NEWS

The Starks have had two very good pieces of news this past week. Their son, Harold and daughter-in-law, Mary, have opened a restaurant in downtown Williams. Their many friends from this area wish them a lot of luck and will be stopping in on them when passing thru. Also learned by the Roy Starks this week is that grandson, Donny, recently appeared on T.V. in the Arthur Murray show. He participated in a dance number. He certainly deserves credit for a lot of hard work that goes with that type of thing.

RETURN HOME

Mazie and Dick Carnell have returned home a very enjoyable visit with Mazie's relatives in Sacramento, Woodland and Phoenix, Arizona. The majority of the vacation was spent with her sister, Marcie and family in Phoenix. One very interesting day was spent in Nogales, Mexico, where some sight-seeing and bargaining took place. On the trip home the couple stopped several times along the Grand Canyon to enjoy its awesome and breathtaking scenery and to collect some worthwhile photos.

SHORT VISIT

The Chris Burner family made a quick trip to Placerville this past Sunday for a short visit with Chris' father who was in the area. They returned home Sunday evening after an enjoyable afternoon.

BIRTHDAY GATHERING.

The birthday of Bob Easton was celebrated Wednesday evening, April 23rd with a small gathering of friends. Refreshments were served and all enjoyed the get together.

MISSION HERE

All though this was mentioned in last week's paper, it more than warrants a second mention. The mission will be held at the Corpus Christi Church in Tahoe City May 11-18 and an invitation has been extended to both the Catholics and non-catholics of this area. The Missionary is the well known Father Fred McClary C.S.R. The purpose of the Mission as explained in a letter from Father O'Neill is "To make you happier, and to help you live holier lives, and become more pleasing to God."

P.T.A. OPEN HOUSE

The annual open house was held Wednesday, April 23 at the Tahoe Lake School in Tahoe City.

To Seek Big Trout—

Mr. and Mrs. Frank Fox will have as their guests on Friday Mr. and Mrs. Robert Meeks and children, Debbie and Dannie, of Avenal. Meeks will try to duplicate his last year's catch of a 27-pound trout during their week's stay.

Buell's at Lake—

Mr. and Mrs. Tom Buell of Grass Valley visited local friends Sunday when they were the house guests of Mr. and Mrs. Don Barkhurst at Kings Beach.

Leave Ends—

DRUNK CHARGE LANDS SEVERAL IN BASTILE

Celebrating his wedding in Nevada, not wisely but too well, caused Laverne Duane Brooks of San Francisco to run afoul of the law when he was arrested by Patrolman Thomas Sheehan last week for drunk driving.

Brooks appeared before Judge Fosten Wilson Thursday morning and was fined \$263 or 50 days in jail. Not having the money he took the jail sentence and his bride of less than a day returned to the city by bus, minus her bridegroom.

In the same car were Shade E. Pittman and Charles Lindbergh Youngblood, also of San Francisco, who were charged with being drunk in and about an automobile and given a fine of \$50 each or 10 days in jail.

Homer D. Pugh, 22 years old, of Grass Valley, was arrested by Patrolman Martin Sturcke and charged with malicious mischief as he wove in and out, in a car, ruining the freshly painted white lines on Highway 40 at Hampshire Rocks. He was to appear before Judge Crow in Placer County.

David Schneider of Truckee appeared before Judge Fosten Wilson and received 30 days in the Nevada County Jail for being drunk.

On the same date Harry Folger Clark was sentenced to five days in jail for drunkenness.

OLYMPIC OFFICIAL TO ATTEND SESSION

Alan D. Ewen, assistant executive director of the VIIIth Olympic Winter Games Organizing Committee, will attend Governor Knight's Conference on Western Expositions and Centennials in Sacramento May 8 and 9, Committee President Prentis C. Hale announced Monday.

The conference was called to coordinate long range schedules of major celebrations and sporting events in the west during the next several years.

The Winter Olympics will be held at Squaw Valley in February, 1960.

Knight also invited to the conference representatives of the Oregon Centennial Exposition, Denver Centennial, Washington State World's Fair, San Diego "New World" Exposition and Vancouver International Festival.

RABID SKUNK KILLED IN NEVADA COUNTY

NEVADA CITY— Beware of skunks!

That age old warning has double significance today with the report that a skunk recently killed in Higgins Corners region of Highway 49, has been diagnosed as positive for rabies by the University Laboratory at Berkeley.

Hal Cox, Nevada county sanitarian, said that the results of the examination of the head, which was dispatched to Berkeley, were returned today as definitely rabies, giving Nevada county the first positive rabies incident in 18 months or since the incident of rabies on the Yuba - Nevada line, which brought this county into an endemic area.

The skunk at Higgins Corners attacked a dog owned by Frank Childers, south of the Corners on Highway 49, and was shot by Childers. He called a veterinarian and the Nevada County Department of Public Health, which followed through on the investigation and examination.

It is unknown if the dog was bitten, but the animal is isolated and watched.

CIVIC LEAGUE GIVES KNIGHT APPROVAL

SAN FRANCISCO — Governor Goodwin J. Knight's candidacy for the United States Senate has been endorsed by San Francisco's strongest civic organization, the politically potent Civic League of Improvement Clubs and Associations. Formed more than half a century ago, the influential Civic League represents a wide cross-section of San Francisco organizations and individuals. It is considered a major voice in the city's municipal and political affairs.

Support of Knight's candidacy was voted last night at an endorsement meeting of the Civic League's board of governors. Knight received 45 votes to 16 for San Francisco Mayor George Christopher and two for Congressman Clair Engle.
